Dear Sir,

RE: Chevron Gorgon Selects BabelFish™ Product Suite for Real-Time Technology

Perth WA - ISS Group Limited (ASX:ISS) is pleased to announce that Chevron Australia Pty Ltd has selected ISS Group as a supplier for **The Provision of Operations Information Center – Real-Time Services Technology** utilising ISS Group's BabelFish™ product suite and services. The initial value of this contract is approximately AUD\$2.4 Million over the next 12 months comprising licenses, services, maintenance & support.

The AUD\$43 Billion Gorgon Project is one of the world's largest natural gas projects and the largest single resource natural gas project in Australia's history. The Gorgon Project will develop the Gorgon and Jansz/lo gas fields, located within the Greater Gorgon area, about 130 kilometres off the north-west coast of Western Australia. It includes the construction of a 15 million tonne per annum (MTPA) Liquefied Natural Gas (LNG) plant on Barrow Island and a domestic gas plant with the capacity to provide 300 terajoules per day to supply gas to Western Australia.
